

# Estilad<sup>®</sup> Stop Acne

**Stop Acne is a professional, sterile solutions which has been developed to combat both inflammatory and non-inflammatory acne.**

Stop Acne regulates and lowers pimples, regulates excess fat and sebum, eliminates dead skin and bacteria and provides a powerful anti-inflammatory effect, along with a keratolytic action, that helps to normalize skin problems and restore the appearance and tone of the skin.

It activates the formation of new fibroblasts, recovers the marks and depressions caused by acne, producing new collagen and increasing the production of elastin.

It contains powerful healing and regenerative nutrients including Hamamelis Extract, Calendula Extract, Ginkgo Biloba, Pyruvic acid, Salicylic acid, Meliloto Extract, Asiatic Spark, Artichoke, Troxerutina, Zinc Gluconate, Panthenol and Hyaluronic Acid Cube 3<sup>®</sup>.

**Estilad<sup>®</sup> Stop Acne** is a sterile, professional treatment solution indicated for:

- Inflammatory and non-inflammatory acne
- Oily skin
